BOX PATENT APPLICATION

Commissioner for Patents  
Washington, D.C. 20231

PRELIMINARY AMENDMENT

SIR:

Prior to calculation of the filing fee, please amend the above application as follows:

IN THE CLAIMS:

9. (Amended) A method according to claim 1, wherein the location of the customer is determined using location systems of the communication network from which the call of the customer is placed.

10. (Amended) A method according to claim 1, wherein the communication network is a cellular phone network.

11. (Amended) A method according to claim 1, wherein the customer uses a regular telephone line.

12. (Amended) A method according to claim 1, wherein the Provider uses a regular telephone line.

13. (Amended) A method according to claim 1, wherein the customer is in motion.
14. (Amended) A method according to claim 1, wherein the Provider is in motion.
15. (Amended) A method according to claim 1, wherein the customer is static.
16. (Amended) A method according to claim 1, wherein the Provider is static.
17. (Amended) A method according to claim 1, wherein the Provider is selected from among food providers, house services providers, personal services providers, delivery services, and information providers.

00000000000000000000000000000000

REMARKS

The claims have been amended above to better conform to U.S. practice.

Respectfully submitted,

William H. Dippert

**Version of Amended Claims with Markings to Show Changes Made**

(Submission to Accompany Preliminary Amendment, dated July 20, 2001)

9. (Amended) A method according to [any one of claims 1 to 7] claim 1,  
wherein the location of the customer is determined using location systems of the  
communication network from which the call of the customer is placed.

10. (Amended) A method according to [any one of claims 1 to 8] claim 1,  
wherein the communication network is a cellular phone network.

11. (Amended) A method according to [any one of claims 1 to 7] claim 1,  
wherein the customer uses a regular telephone line.

12. (Amended) A method according to [any one of claims 1 to 7 and 10] claim 1  
wherein the Provider uses a regular telephone line.

13. (Amended) A method according to [any one of claims 1 to 11] claim 1,  
wherein the customer is in motion.

14. (Amended) A method according to [any one of claims 1 to 12] claim 1,  
wherein the Provider is in motion.

15. (Amended) A method according to [any one of claims 1 to 11 and 13] claim 1,  
wherein the customer is static.

16. (Amended) A method according to [any one of claims 1 to 12 and 14] claim 1,  
wherein the Provider is static.

17. (Amended) A method according to [any one of claims 1 to 15] claim 1, wherein the Provider is selected from among food providers, house services providers, personal services providers, delivery services, and information providers.
